You are my best friend you'll be right there to the end

you've been my inspiration, my best friend your still
here and i love you
V1
I think you got angel wings hiding up under there
somewhere
me, chelle my bell don't know where we would be if we
never met you girl,
i love you i thank you you're such a blessing
i am so grateful i truly believe the lord sent you to me
and kelly,
that smile and laughter always makes me happy
when i'm too serious or too intense with a voice that
beautiful you was heaven sent
my sister my life couldn't be better doing what i love
with my best friends and making chatter,
kelly, the most beautiful girl in the world you are my
survivor and i admire you,
you have no idea how special you are, humble talented
and blessed you are,
sometimes i wish i could be more like you,
sometimes they don't wanna give your credit to you,
wouldn't be a destinys child if it wasn't 4 you DC3 for
ever i'm thanking you
Lord thank you for ur vision that we see down here on
earth,
thankyou for your precious gifts your sweet precious
gifts of love
through everything can no one come between us 3
Michell, ha, ain't it funny? god always knows what hes
doin and he showed me some of that when you came
into me and B's life
And let us know that we can count on you and actually
say with a relaxed heart,
together we are sisters, your smile has so much
meaning so my life
you are the perfect fit what more could we ask for? we
got michelle
your voice is like water your voice is like rain and the

world ain't ready for you,
i love you and i will always be here for you
Beyonce, we've come so far together and it feels so
good to have traveled half the road of life with an
angel,
walking and learning and teaching you the whole time,
god is so awesome and i thank him for answering my
prayers as a child,
i never told you this but i prayed for i life long friend as
a child and god just has his way of sending precious
treasures,
and i found mine, every day our relationship gets
stronger and i love you for the loyal,
unselfish,generous,gifted, wise and beautiful person
you are ,
no one absolutely no one can take that away from you,
you are the definition of a true friend,
B and kelly you do mean so much to me only god knew
that this union was meant to be,
only god knew all the things we couldn't see,
but if we pray together we'll stay together
Beyonce and kelly,
you both simplify coming from my eyes what love is,
love is patient,beyonce thats what you've been,
