I gave my heart to you
I gave up my friends like you said I should do
Put aside my smile for you
I blow up my dreams if you said it didn't approve

I gave my mind, compromise my life
Just to see I'd find
You were tryin' to hold me back
Slowly throwin' me off of my track
Disappointed again

I'm through with it love
I'm through with it through with it love
I'm through with it through with it love
I'm through with it through with it love
I'm finally givin' it up

I've given so much in the past
(Past)
For a love I never had
(Had)
I'm through with it
I'm I'm through with it love
I'm through with it through with it love
I'm finally givin' it up

Oh there you go comparin' me
To every little model on the TV screen
Oh there you go complainin' to me
'Cause I wanna spend time with my family

My esteem has gone down
You never wanna take me out
You make me feel dumb, and alone
(Oh oh oh oh oh oh oh oh)
I don't know where to go
(Oh oh oh oh)
I'm through with it

I'm through with it love
I'm through with it through with it love
I'm through with it through with it love

I'm through with it through with it love
(Love, love)
I'm finally givin' it up

I've given so much in the past
(Past)
For a love I never had
(Had)
I'm through with it
I'm I'm through with it love
I'm through with it through with it love
I'm finally givin' it up

I shared all my secrets with you
(You)
Even when it hurts it's all the truth
I paralyze my growth for you
(You)
I gave you control felt helpless without you

Couldn't be your friend the way we were unhappy
(A friend, happy)
'Coz with you I see misery loves company
(I see)
You know if this is love
(Oh oh oh oh oh oh oh oh)
'Cause if it's love I don't want it anymore
(Oh oh oh oh)
I'm through with it

I'm through with it love
(I'm so tired of cryin')
I'm through with it through with it love
I'm through with it through with it love
(Oh)
I'm through with it through with it love
(I'm so tired of your lyin')
I'm finally givin' it up

I've given so much in the past
(Past)
For a love I never had
(Had)
I'm through with it
I'm I'm through with it love
I'm through with it through with it love
I'm finally givin' it up

Why do I feel so empty?
I'm cryin' out for some stability
Destroy my many insecurities

(Yeah)
I'm breakin' down somebody pray for me

He loves like no other
Not an ordinary love
Restore my joy with so much courage
Lord I need your love
I found a new love
I found a new, found a new love
I finally found it in God

I found a new love
I found a new, found a new love
(I don't have to cry no more)
I found a new, found a new love
I found a new, found a new love
(I don't have to weep no more)
I finally found it in god
(I don't want to hurt no more)

I've given so much in the past
(Past)
For a love I always had
(Had)
I've found a new
I found a new love
I found a new, found a new love
I finally found it in god
