[Beyonce]

Standing over there
Watching you patiently
While I'm breaking a sweat

Dripping down my neck
wreckless is sexy send chills on the thread
I was over the floating when met someone out of space
I was in my own world til i found his arms around my
waste
Eyes are always watching and I think It's turns me on
All you just need to sit down and watch me perform

[Chorus]

You like the way I twirk (twirk)
You wanna see me twirk daddy
You like the way I twirk yeah
You wanna see me twirk (twirk)
You like the way I twirk (twirk)
You wanna see me twirk with it
You like the way I twirk yeah
You wanna see me twirk

[Kelly Rowland]

Down is creeping close
Waiting so heavy watching myself on the groove
putting on a show
No intermision....
I know you want me
I feel you eyes on top of me
My neck my back you are conquer me
You wishing that I belong to you
I can feel how much you want me
And it really turns me on
You just sit back relax and watch me perform

[Chorus]

You like the way I twirk (twirk)
You wanna see me twirk daddy
You like the way I twirk yeah
You wanna see me twirk (twirk)
You like the way I twirk (twirk)

You wanna see me twirk with it
You like the way I twirk yeah
You wanna see me twirk

[Michelle Williams]

He likes the way
I did with my hips
The way i bite on my lips
When I turn and I twist
And know he likes the way
I look back and stare
Throw my hand in the air
Like I dont even care

[Chorus]

You like the way I twirk (twirk)
You wanna see me twirk daddy
You like the way I twirk yeah
You wanna see me twirk (twirk)
You like the way I twirk (twirk)
You wanna see me twirk with it
You like the way I twirk yeah
You wanna see me twirk
