Chorus:

The face that I see
is the woman in me
It's the woman that I wanna be
I wanna be
(2x)

As I'm looking here
Looking in the mirror I see
Life is really here to be with me
I can see myself getting stronger everyday
I'm not the same one that I used to be
So now I tell myself that I am big and strong
I see the beauty lying within my soul

CHORUS

When I love myself I can do whatever I want
Doesn't matter what you do to me (oh no)
Honestly for me there's a possibility
Tell you my way of reality
(reality yeah)

CHORUS

(spoken)
Can you see the woman in me?
Do you really wanna see the women in me?
Let me show you

Hey don't underestimate the woman I've become
The one I am
So now I tell myself that I am big and I'm strong
And I see the beauty lying within my soul

CHORUS
