How ya doin' honey baby? No I don't ask for much
But for a girl spending time alone
Can be pretty rough but I get a knock on my door
You know it's your's for sure
Can't wait for the bedroom so just hit the floor

Y'all alright I don't know
But I know what's happen to me girl
Hey, y'all alright
Uh, break it down now

See you got to work it out
See you got to work it out
Brother got to work it out, uh
Child blow you horn now, c'mon
Child blow your horn now

So we shaking back and forth now
Just keep it comin' babe
Treat my body like a guitar
Ya gotta, ya gotta keep on stromin'

But in the back of my mind
Is it gonna be the last time
Well, if it ain't about lovin'
And you gon' keep it comin'
Well, baby with me that's fine

Y'all alright I don't know
But I know what's happen to me girl
Hey, y'all alright
Uh, break it down now

See you got to work it out
See you got to work it out
Brother got to work it out, uh
Child blow you horn now, c'mon
Child blow your horn now

I like this, ooh heey
Uh, looky here, uh bring it
So baby, hold me like you

Don't wanna let go
I'm feelin' foxy

'Cuz boy you workin' it out
You giving me a taste of yo
Honey, I want the whole bee hive
I'm gonna call you my sugar
'Cuz I, I had the sweetest time
(Sweetest time)

See ya gotta work it out
See ya gotta work it out
Brother gotta work it out, uh
I like when ya horn, blow
I like when ya horn, blow
I like it when ya horn, blows
I like it when ya horn, blows

Austin better work it out
Foxy better work it out
Ap3 better work it out
Ap3 better work it out
