Chorus

You're the only one and I think
about you all the time
Every day and night
I can't seem to get you off my mind
You're the only one I'm thinking of.

I want you to know that nobody else will get the chance
at getting close to me baby it's you
you're all that I need
you are all I need

Chorus

Ohh..

I used to think that love was
something that was only for the others
But lucky ones but now
I see it's me for you baby
(all: never gonna let you go)

Chorus

You're the only one (and I can say) and I think
about you all the time (me and you baby that's all I'm
thinking lately)
Every day and night
I can't seem to get you off my mind (can't seem to get
you off my mind)
You're the only one I'm thinking of.
Yeah yeah yeah yeah yeah, Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah X 3

Chorus

You're the..only one I'm thinking of
You're the..only one for me

You're the only one I've ever loved
the only one I'm thinking of (FAST)
only one I'm thinking of
only, only one for me

Chorus
