So, you've come again  
Tear me with talons and slap me with feathers  
Once I could depend on death,  
My friend.

So, you've come again  
Time becomes reckoned on wings that are beating  
And the day begins screaming

Oh I am still here (a thousand years)  
I am still here (a thousand deaths)  
I am still here, so hear me cry  
FEED ON ME. FEED ON ME. FEED ON ME.

But promise me I'll die. But promise me I'll die  
Promise me I'll die... for the last time

Oceans endless time  
Eats at the earth, and the rock, and my memory  
I recall the crime... the clay... the fire

Man I made divine  
Curses mortality, yearning eternal  
But, immortalised, I'm screaming...

Oh I am still here (a thousand years)  
I am still here (a thousand deaths)  
I am still here, so hear me cry  
FEED ON ME. FEED ON ME. FEED ON ME.

But promise me I'll die. Promise me I'll die  
Promise me I'll die... for the last time

So, you've come again  
Flight of the eagle that rises totemic  
Do I fear the pain? Or the weakness?

So, you've come again  
Now that my nightmare has patched me together  
I can die again screaming...

OH I am STILL HERE (a thousand years)

I am still here (a thousand deaths)  
I am still here, so hear me cry  
FEED ON ME. FEED ON ME. FEED ON ME.

But promise me I'll die  
Promise me I'll die  
Promise me I'll die... for the last time
