Barbrossa beginning of the end bringing death & fear  
The machinery of killing found a camp at the polish  
frontier  
Genocide like a precise game of mass execution  
The most cruel extermination called the final solution

Brutal-how much evil  
Merciless-can men do?

OÃ...Â>wiÃ,,Â™ cim - this incubus is more than just a  
word!  
OÃ...Â>wiÃ,,Â™ cim- stigmatized as the torture chamber  
of the absurd!

Mislead nation created a generation of cryonics and  
doom  
Organized structured holocaust the most evil of high  
noon  
On a power-trip lead by a demon inside far beyond  
control  
A blinded country lost all pride, history and free soul

Brutal-how much evil  
Merciless-can men do?

OÃ...Â>wiÃ,,Â™ cim - this incubus is more than just a  
word!  
OÃ...Â>wiÃ,,Â™ cim - stigmatized as the torture  
chamber of the absurd!

We can't turn back time but this is the worst crime  
This planet has ever been thru  
A cold comfort we know but we need to show  
That there wont be a deja-vu!

To learn, prevent and not forget is the task of  
My generation on parole!  
This incredible pain will sustain on this postwar  
Societies dead soul!

OÃ...Â>wiÃ,,Â™ cim - this incubus is more than just a  
word!

OÃ...Â>wiÃ,,Â™ cim - stigmatized as the torture  
chamber of the absurd!

Auschwitz - die Stadt des Leidens bis ans ende dieser  
Welt

Auschwitz - die Schande einer ganzen Generation  
... und darÃfÃ¼ber hinaus!
