They hate my ass 'cause I try to oppose
I'm hooked and ready to die
Sacrifice, I'm in pain

I use my fists to smash their might
A brutal way of progression
Destruction is my mental release

Creations of the underworld
Sonic mayhem of damnation
Creations of the underworld
Tortured minds sacrifice

The battlefield of grief brings up my anger
My brain is a dark cave
Full of evil breeding thoughts

Creations of the underworld
Sonic mayhem of damnation
Creations of the underworld
Tortured minds sacrifice

Die, I'm the punk of the abandoned
Die, I'm hooked and ready to kill
Die, I bring you a hell of a mess
Die, an eye for an eye

Die under siege of madness
Die, I bring you a hell of a mess
Die, discipline is my weapon
Die, sentence of death

Creations of the underworld
Sonic mayhem of damnation
Creations of the underworld
Tortured minds sacrifice

Creations of the underworld
Creations of the underworld
