D.Evolution

Confusion, Last Solution

-Our mighty technology obscures our decay
step by step, fucking regret

-Our modern economy is not meant to stay

Once I believed - in progress

Once I Had dreams - and success

My state - your home - our base of life

dead and buried in the stillborn ego

Of our inner strife

Chorus:

D.E.V.O.L.U.T.I.O.N.

World is out of hand

D.E.V.O.L.U.T.I.O.N.

We're cavemen on command

D.E.V.O.L.U.T.I.O.N.

We're buried in the sand

Disillusion, of a system

- That does accelerate

It's own disarray

The Theory, of Evolution

-Just a note in the book

Of Human Decay

Once I believed - in good morals

Once I Had dreams - ain't no quarrels

My pride - Your honor has been sacrificed

For This unholy cash machine

Hath no one can deny

Chorus:

D.E.V.O.L.U.T.I.O.N.

This World is out of hand

D.E.V.O.L.U.T.I.O.N.

We're cavemen on command

D.E.V.O.L.U.T.I.O.N.

We're buried in the sand

D.E.V.O.L.U.T.I.O.N.

Once i Believed - in progress
Once i had dreams - and success
D.E.V.O.L.U.T.I.O.N.
