They protect our souls from war and pain
Don't fuck with them, nothin' will remain
They fight the good fight for their world peace
Save our Western culture from unknown enemies

Military power pushed by the industries
Rain forest? Who cares about some fuckin' trees
This is for all our safety, this ain't no joke
They surely guard us as long as they are broke

Land of the free, the land of decay
Your amazing grace, kneel down and pray
Stars and lies, flag of pride
Klu Klux Klan at Disneyland

Race of wars in a faked world
Hiding the truth, there's no excuse
Dictators of cruelty
Dictators of cruelty

Fairy tales and legends are the backbone of a land
Where controversial losers can be president
Nothin' like it seems on this earth full of disgrace
Build your own opinion and see their ugly face

Land of the free, the land of decay
Amazing grace, kneel down and pray
Stars and lies, flag of pride
Klu Klux Klan at Disneyland

Race of wars in a faked world
Hiding the truth, there's no excuse
Dictators of cruelty
Dictators of cruelty

Land of the free, the land of decay
Amazing grace, kneel down and pray
Stars and lies, flag of pride
Klu Klux Klan at Disneyland

Race of wars in a faked world
Hiding the truth, there's no excuse

Dictators of cruelty
Dictators of cruelty
