Is this the price we have to pay?  
I'm sick of those who have nothing to say  
Feel the anger of social outcast  
Luxury and affluence are not made to last!

In this world of hubristic selfishness  
Crimes against mankind will lead to success  
We can't close our eyes, we pretend clarity  
How the hell can we agree?

Bridge:  
The ravenous world - is rapping their children  
Prays won't be heard - Evil runs it's course

Chorus:  
Taking the elevator to hell  
Cursed and under the spell  
Let's get this straight  
Fuck wake up we are Satan!!!

The impact of our growth will kill  
Our Class is empty - No refill  
A great idea to destroy your home  
And wipe away you chromosomes

Bridge:  
The ravenous world - is rapping their children  
Prays won't be heard - Evil runs it's course

Chorus:  
Taking the elevator to hell  
Cursed and under the spell  
Let's get this straight  
Fuck wake up we are Satan!!!

Facing judgment day  
Sure We all wanna stay?  
Deeds of the scum will reveal  
The world became so unreal

Solo: MIKE

As Proven By history  
The offenders are wrapped in mystery  
Our days will fade to gray  
Sure you wanna face our decay?
