A poisoned culture - Based on lies, war & deceit
Slaughterhouse philosophy - Cruel butchers are hard to
beat
The law of the game - Is the law of the bloody blade
Dictated by lunacy - It's the fal death serenade

Bridge:

War - As the essence of a painful life
Decay - The stream of death agony will ride

Chorus:

Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule

Death brings us together as one - The feel to be second
to none
Shameful should be the gluttonous - What makes a real
genius?
Erases all the treasures - Wipes out all fame, affluence
and wealth
Recognize the afterlife freedom - Won't be based on
stealth

Bridge:

War - As the essence of a painful life
Decay - The stream of death agony will ride

Chorus:

Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule

Insanity - We do rape, wreck and then - We search for
an excuse
Decay - We all gonna rot, we're all the same on the final
cruise
Modesty - Is so hard to find, is this a curse - Is this real?
Consistency - Is a gift of life, education is the deal

Chorus:
Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule
