Curse The Gods  
Allah, Buddha, Jesus Christ  
whatever your god may be  
forget those idols let me tell you  
they're tales of morbid brains

everybody thinks he's right  
that his gods are the only truth  
fanatic faith, fanatic deeds  
join my religion or die

jews killed jesus, christ's slaughtered jews  
millions die for their faith  
each religion prays that killing is a sin  
how stupid logic can be

curse the gods  
too many people have died  
curse the gods  
that fools have died for a lie

beware of those fools that keep telling you  
god loves you, for you his son died  
fuck them- believe in yourself  
gods reality is just a lie

curse the gods  
too many people have died  
curse the gods  
that fools have died for a lie
