Not really concerned about your opinion
I'm not really taking care about your ass
Maybe tomorrow things are turning
Maybe soon you'll catch the fall

I'm not really interested in your future
I'm not really hoping for a consequence
Never ever believe a word I say
Never ever trust in my own dreadful way

Push, hurt and bite if you're ruthless enough
Soon you'll have more might
Insult, lie and steal for a better co-operation
Hit, rape and kill

Dirty hypocrisy to be or fuckin' not to be
Inconsiderate success, my existence is a mess
Dirty hypocrisy to be or fuckin' not to be
Inconsiderate success, my existence is a mess

Kingdom of damnation
My might is damned to turn into deprecation
Kingdom of damnation
Might and lies made my derivation

Scream shout and spit
I'm just defending for a better understanding

Dirty hypocrisy to be or fuckin' not to be
Inconsiderate success, my existence is a mess
Dirty hypocrisy to be or fuckin' not to be
Inconsiderate success, my existence is a mess

Kingdom of damnation
My might is damned to turn into deprecation
Kingdom of damnation
Might and lies made my derivation

Kingdom of damnation
My might is damned to turn into deprecation
Kingdom of damnation
Might and lies made my derivation

Kingdom of damnation
Kingdom of damnation
Kingdom of damnation
Kingdom of damnation
