Instructions - rule your day
They influence you in your sleep
But you won't realize,
It's hidden far too deep!

Manipulation of your opinion
To turn you in a brainwashed ant
That follows the stream of losers
You're misused they pretend!

Step by step
- it spreads like an incurable disease
slowly we rot
- soon we'll be begin for - release!
Follow the blind and talk to the deaf
Listen to the dumb and try to teach the dead
Machinery of lies
Bugs, creeps and fucking flies
Machinery of lies

The dictators of sin will eliminate your tomorrow
Like an evil twin they'll only bring you sorrow

Machinery of lies,
Machinery of lies,
Follow the blind and ...
