On the razor's edge I kneel all this can't be real
Every soul stands for a death!
Where are my illusions all those fake conclusions
Will this now be my last breath?

Like a slow motion flick - but this fear ain't a trick
My live is rushing thru my eye!
Panic grabs my mind - Now the daily grind
Seems unreal I can't deny!

[Bridge]:

Rich man - Poor man - Beggar man - Thief
In the face of death - They all start to believe

[Chorus]:

Sorcerer of Black Magic -
Preacher of an unseen god
Sorcerer of Doom -
Make you pray for your decay
Sorcerer of Black Magic

When time is up
- There's no more need for a clock
To late to fuckin justify!
This fatal vortex now shows the final round
My regrets I can't deny!

I had too many challenges
- Broke down all the fences
When time was right I did fail!
Wealth is an eaarthy chance
- Dance the final dance
Dark forces will prevail!

[Bridge]

[Chorus]

Master of Sadism King of Hedonism
On judgement day we are all the same!
Evil spirit crying all mankind is dying

No hope for the lost souls

[Bridge]

[Chorus]

Sorcerer of Black Magic - There's no escape

Sorcerer of Black Magic - And no control

Sorcerer of Black Magic fond belief

Sorcerer of Black Magic - The bell tolls
