A pitch dark night smells like suicide
I hold the key of my own death
Pounding pain, will my soul remain?
Strangulated pride, purgatory

I can hear their laughter, fabulous disaster
Running dry
(Betrayed by many names, they are playing games)
Purgatory

What the hell is going on? I go fuckin' wrong
(Strangulated pride)
Murphy's Law cuts down, everything to the ground
(Strangulated pride)
Wanna share my pain, deadly is my middle name
(Strangulated pride)
But I will resurface, you will feel my wrath

I'm a disgrace, count my last days
I run out of luck, all my friends disappear
Unaccountable misery, it's getting too intense
My fate is sealed, agony's my best friend

I can hear their laughter, fabulous disaster
Running dry
(Betrayed by many names, they are playing games)
Purgatory

What the hell is going on? I go fuckin' wrong
(Strangulated pride)
Murphy's Law cuts down, everything to the ground
(Strangulated pride)
Wanna share my pain, deadly is my middle name
(Strangulated pride)
But I will resurface, you will feel my wrath

I refuse to accept this cultured epidemic
My self-confidence beats my worst enemies

I can hear their laughter, fabulous disaster
Running dry
(Betrayed by many names, they are playing games)
