## **Destruction** "Survive To Die"

Visit "Survive To Die" on MotoLyrics.com

Death and destruction rule on this planet you know life is valid for a limited time You live with the idea to die there's no FUCKIN' chance for mercy

Survive to die

Survive to die

Survive to die

You take advantage of every moment

?cause death hits without exception

There is no challenge ?cause we always loose

Why don't you stop livin??

Survive to die

Survive to die

Survive to die

No prospect of reprieve

when your time is over

Your destiny follows you like your shadow

Future plans and projects, just a waste of time

Our solution is to live day by day

Hazard seems to be mor fair this way.

Survive to die

Survive to die

Survive to die
