(All) As oneâ€¦

(Schmier, Shagrath & Doro) Welcome to hell (Biff)  
wheels of steel praise  
(Schmier, Shagrath & Doro) Metal on metal (Di'Anno)  
the battle cry of those days  
(Shagrath) Son of a bitch (Marc) kill as one (Messiah)  
restless and wild  
(Di'Anno) I'm running free, a wrathchild

Bridge:

(Schmier, Shagrath & Doro) We're together as one  
(Schmier, Shagrath & Doro) We're second to none  
(Schmier, Messiah & Doro) We're together as one  
(Doro & Di'Anno) Bonded madness on the run

Chorus:

(Shagrath) We break the spellbound  
(Schmier, BjÃ¶rn & Peavy) The Alliance of Hellhoundz  
(Schmier & Messiah) We cultivate our sound  
(Schmier, BjÃ¶rn & Peavy) The Alliance of Hellhoundz  
(Schmier & Marc) Never surrender the spirit never dies  
(Schmier, TÃ¶rgren & Di'Anno) The Alliance of  
Hellhounds will rise

(Peavy) Prayers of steel made us to believe in sin after  
sin  
(Biff) Denim and leather became our second skin  
(Doro) True as steel that's all we are  
(Shagrath) Filth hounds of hades trying to leave scars

Bridge:

(Schmier, Doro & BjÃ¶rn) We're together as one  
(Schmier, Doro & BjÃ¶rn) We're second to none  
(Schmier, Doro & BjÃ¶rn) We're together as one  
(Biff) Bonded madness on the run

Chorus:

(Schmier) We break the spellbound  
(Schmier, Doro & BjÃ¶rn) The Alliance of Hellhoundz  
(Di'Anno) We cultivate our sound

(Schmier, Biff & Marc) The Alliance of Hellhoundz  
(Messiah) Never surrender the spirit never dies  
(Di'Anno) The Alliance of Hellhounds (TÃgtgren) will  
rise

(TÃgtgren) Hypocrisy and pain will lead to the abyss  
(BjÃrn) We're stepping the drama in hell with the kiss  
of death

(Messiah) Tales of creations slaves to the masters of  
doom  
(Doro) (The) hell raisers shout it out: praise metal to the  
skies  
(Marc) Standardization shapes slaves of society  
(BjÃrn) Human progress is built on our variety
