Everything comes to an end, forced or by normal  
intend  
The chapter will close anyhow, the question is what you  
allow!

Fight - Fight the system - You gotta keep the resistance

Chorus:  
Sacrifice - Isolation is the price - Sacrifice  
Sacrifice - Isolation is the price  
Sacrifice - Is the name of the game in the end we're all  
the same!

Avoid the brain damage intercourse, education needs  
to be the source  
Doubt ridden should your game, the supervision is to  
blame!

Fight - Fight the system - You gotta keep the resistance

Chorus:  
Sacrifice - Isolation is the price - Sacrifice  
Sacrifice - Isolation is the price  
Sacrifice!

Punisher of tainted horror - A ticking time bomb to  
explode  
Guideline of the lost, this world ain't no place of fuckin'  
trust!

Everything comes to an end, forced or by normal  
intend  
The chapter will close anyhow, the question is what you  
allow!

Chorus:  
Sacrifice - Isolation is the price - Sacrifice  
Sacrifice - Isolation is the price  
Sacrifice!
