I've lost faith - counting the days
Meaning of life - stabbed with a knife
I gave up on trust and amities
My hearts is about to fucking freeze
I've been treated like dirt
Friendship is just an empty word

Bridge:

Boiling in rage - Sophisticated cage
Raping the seeds - Desperate evil needs

Chorus:

Violation of morality - Violation of morality
Violation - Kinship was the only key
Violation - My surveillance strategy
Violation - The act of desecration killed the person
That once was strong - Willed!

A put-up affair - so hard to bear
Like a loaded dice - in the game of life
Kinship was the only key, my survival strategy
the act of desecration killed the person
That once was strong - willed

(Bridge, Chorus)

Piece of mind - I can't find
Sweet revenge dominated my day

Solo:Mike

Battle cries - nightmares agonize
Dedication & affection turns into hate
Addiction is the fuel - independence is the rule
You can't change your fate
- So dominate - Dominate - Dominate!!!

Solo:Mike

(Bidge, Chorus)
