Metal revolution!  
Possessed we fight hand in hand  
Sardonic aversions  
Only in union we stand  
Depressive perspective  
Gives us a place to retreat  
Never divided  
No discussions stay to the roots  
Real cultured, out of plastic  
Can't share their philosophies  
Sarcasm and passion  
We have our own forces  
Dictators predators  
Won't rule our black hearts  
Bestial invasion  
Explodes in our evil souls  
They can't break our will  
We have the pleasure to kill  
We are bonded by blood  
Again they will rot  
Thrash 'til death  
Thrash 'til death  
Immortal soul takes control - Immortal soul  
Thrash 'til death  
Immortal soul takes control - Immortal soul  
Thrash 'til death  
Discover our history  
This rebellion ain't a fuckin' trend  
Stillborn music  
Swallow our self-defence  
Metal revolution  
Possessed we fight hand in hand  
Eternal conviction  
Only in union we stand  
They can't break our will  
We have the pleasure to kill  
We are bonded by blood  
Again they will rot  
Thrash 'til death  
Thrash 'til death  
Immortal soul takes control - Immortal soul  
Thrash 'til death

Immortal soul takes control - Immortal soul  
Thrash 'til death  
They can't break our will  
We have the pleasure to kill  
We are bonded by blood  
Again they will rot  
Thrash 'til death  
Thrash 'til death  
Immortal soul takes control - Immortal soul  
Thrash 'til death  
Immortal soul takes control - Immortal soul  
Thrash 'til death  
Thrash 'til death!
