War!

The shocked world is watching
A whole culture about to collapse
A society bursting on belief and greed
One tyrant makes the orient bleed!

Brutal dominance for a faustian bargain
Under the flag of the pseudo - holy jargon
The global mass media reports with unashamed
delight
While the power of the masses are bursting under a
fire-fight
Under violent sledge - neolithic revolution at the edge
Under violent sledge-under violent sledge!

Tide selections of the population
Stand up for their freedom & their rights
The courages public uprising
Ends up in a horrifying homicide!

Brutal dominance for a faustian bargain
Under the flag of the pseudo - holy jargon
The global mass media reports with unashamed
delight
While the power of the masses are bursting under fire-
fight
Under violent sledge - neolithic revolution at the edge
Under violent sledge - under violent sledge!

Once a country of pride - in lunacy they will collide
From an inherited leader - to a cruel lost armed seeder

Controlled with oppression - a fatal transgression
Now the people will overtake - what was lost and what is
fake!

Brutal dominance for a faustian bargain
Under the flag of the pseudo - holy jargon
The global mass media reports with unashamed
delight

While the power of the masses are bursting under a
fire-fight

Under violent sledge - neolithic revolution at the edge

Under violent sledge - under violent sledge!

Under violent sledge - political reforms in pledge

Under violent sledge - under violent sledge!
