I see fake healers on top of the bill
I see the idle rich getting their thrill
Creating rules that are made to be broken
Playing god - The truth is unspoken

Chorus:

Sloth - The vicious circle begins
Starting the deadly sins
7 games of greed - 7 ways to succeed
Wrath, Envy & Pride
Spreading fear & Fright
Gluttony and lust - my disgust,
Cruelty always wins:

The Seven Deadly Sins

I see blind divine worship & kangaroo courts
No - They won't forget to praise the lord
Using their religious belief to succeed
Their fuel is to make others bleed!

Chorus

Sloth - The vicious circle begins
Starting the deadly sins
7 games of greed - 7 ways to succeed
Wrath, Envy & Pride
Spreading fear & Fright
Gluttony and lust - my disgust,
Cruelty always wins:

The Seven Deadly Sins

Solo: Mike

Preachers are raping our trust with their prayers
Crowned with success subhuman betrayers
Raking in money is their unholy aim
Voracity - Cheating while playing their Game

Chorus

Sloth - The vicious circle begins

Starting the deadly sins
7 games of greed - 7 ways to succeed
Wrath, Envy & Pride
Spreading fear & Fright
Gluttony and lust - my disgust,
Cruelty always wins:

The Seven Deadly Sins
