I ejaculate fire!
A venomous fluid, cantankerous druid
It kills when I breed, with my deth seed
CHECKMATE, the world dies when I procreate
A bloody mess, bubbles»¿ with heat
Fear the splattering acidic de-mattering
IT BURNS! I'm fried to my loins.
Testicular propane, TANKS EXPLODIIIIIIING!

I perpetuate bile
A build up congestion
Epididymal retention
My seman is flames
Flagellum is pain
Fuck Fate
Earth's»¿ crushed from atomic weight
With a hardened thrust
Deep in the core
A seismic tunneling
A»¿ rhythmic pummeling
Incinerate
The molten rock

A rancid genetic
Cannon Fire!

Wandering lunatic outcast
Blew your chance killed life span

Pain it wont leave fast enough
Crude coagulated blackness
Wicked lightning flickering
Sing to me the glorious Deth Mass
Gasoline pumps through my heart
Poisin coursing southward atomizer
Feel the anger pulsating
It's been building X2
Explode
Found my mission
Deth ignition
Earth's mortician

Charred sedition
New tradition
Extradition
Explode
This fucking feeling's contagious
Gonna spread my flames so salacious
Fucking fear is contagious!
Explode!
