(Words: Crosby; Music Robinson/Hochheiser)

Suicidal bomber dying for a cause, and the life you're
losing
it's well worth the price
You're on a mission for your god
and the innocents you take with you are examples for
us all
Holy war, holy war. You keep killing, you don't know
who it's for
Holy war, holy war. You keep killing, you don't know
what it's for
I watch you, soldier, as you stab her and laugh, her
mother draws her near
She takes her last breath
Then you unfold your leader's picture, show him what
you've done
Then you kiss his photo, praise this holy one
Holy war, holy war. You keep killing, you don't know
who it's for
Holy war, holy war. You keep killing, you don't know
what it's for
I watch you, soldier, as you stab her and laugh, her
mother draws her near
She takes her last breath
Then you unfold your leader's picture, show him what
you've done
Then you kiss his photo, praise this holy one
Holy war, holy war. You keep killing, you don't know
who it's for
Holy war, holy war. You keep killing, you don't know
what it's for
Holy war, holy war. You keep on dying, you don't know
who it's for
Holy war, holy war. You keep killing, you don't know
what it's for
