You're here because
You're one of us
You are the strength
We are soldiers

You've journeyed far
You've battled hard
And now you will receive your permanent reward

You've conquered pain
You've conquered fear
Stand proud and salute the bloodied flag here

You pledged your death
And your last breath
You are the gears
You are the gears

We fear not our own mortality
We'll serve to the best of our ability
We give our lives to our masters
We vow to smite our enemies

you've mastered death
you've mastered fear
you are transformed
you are stronger

now that your here
a branded gear
burned in your flesh
will seal the deal

You've conquered fire
you've conquered ice
you've tasted blood
you've taken life

your here because
you're one of us
become a gear
become a gear

We fear not our own mortality
We'll serve to the best of our ability
We give our lives to our masters
We vow to slay our enemies

We bless your skin
we bless you with our mark
become a part of the klok
become a gear

you've conquered pain
we've conquered pain
you've conquered fear
we've conquered fear
you fear not your own mortality
you are a gear
(we are the gears)

you've conquered pain
we've conquered pain
you've conquered fear
we've conquered fear
you fear not your own mortality
you are a gear
(we are the gears)

(we fear not our mortality)
