### "Deth Support"

Pull The Plug [X9]

I Drove My Truck Into A moving Van  
It Was All Filled Up With Jet Fuel And  
I Crashed Right In and Explosion  
Smash Through The Window And Ripped Off My  
Hands

Medical Team Drove Up And Found Me  
Bleeding In Pieces Picked Up Off The Street  
Drove Me Into A Filthy Hospital  
Horror Experienced Financially

Woke Up In Pain In A Gown In Bed  
Internal Hemorrhaging Inside My Head  
I Really Think That I Should Be Dead  
I Saw The Bill And Then I Cry Bled

To Keep Me Alive It Is Costing Me  
National Deficit Times Three  
There Is no Way To Avoid This Fee  
Please Pull The Plug And Kill Me

It's Costing Too Much

Pull The Plug

Aneurism  
Botulism  
Epilepsy  
Narcolepsy  
Pull The Plug

Nearsighted  
Breath Lighted  
Cataracts  
Heart Attacks  
Pull The Plug

Hepatitis

Bronchitis  
Appendicitis  
Arthritis  
Pull The Plug

Encephalitis  
Adenitus  
Mastoiditus  
Capsultius

Pull The Plug

Pay You My Life Instead Of Life Support  
Harvest My Plasma Because It's Worth More  
Take All My Blood And My Organs  
Sell Them To Buyers Over In Third Worlds

Burn My Cadaver For Some Energy  
Charge The Patients In their Misery  
Such A Strong Quarter For The Industry  
Pharmaceutical Fucking Victory

Can't Pay The Price  
Pull The Plug  
Pay With Life  
Pull The Plug  
Say My Farewell  
Pull The Plug  
See You In Hell  
Fucking Pull The Plug
