Do You Folks Like Coffee?
Real Coffee,
From the Hills Of Colombia?

Then Duncan Hills will Wake You
From A Thousand Deaths.
A Cup Of blackened Blood.
(Die, Die)
You're Dying For A Cup.

Guatemala Blend,
Ethiopian,
French Vanilla Roast.

(Die, Die)
You're Dying For A Cup.

Prepare For Ultimate Flavor!
You're Gonna Get Some... NOW!
And Scream... For Your Cream

[Solo]

Duncan Hills,
Duncan Hills,
Duncan Hills Coffee.
