Do you folks like coffee
Real coffee
From the hills of columbia

The duncan hills will wake you
From athousand deaths
A blackend cup of blood
(dying dying)
Your dying for a cup

Guatamala blend
Ethiopian
French vanilla roast
(dying dying)
Your dying for a cup

Prepare for the Ultimate Flavor
You're gonna get some-NOW!
And SCREAM for the CREAM

(solo)

Duncan hills
Duncan hills
Duncan hills

Coffee
