Do you folks like coffee?
Real coffee
From the Hills
Of Colombia

The Duncan Hills will wake you
From a thousand deaths
A cup of blackened blood
(Dying, dying)
You're dying for a cup

Guatemala blend
Ethiopian
French vanilla roast
(Dying, dying)
You're dying for a cup

Prepare for ultimate flavor
You're gonna get some milk!
And scream... for your cream

Duncan Hills
Duncan Hills
Duncan Hills

COFFEE!
