Toki:

Goodbyes my sweets little friends  
You will be missed  
I loves you soooo.  
I loves the way your furs felts on my face  
You made me happy.

LETS GO!

You've got some love in my life  
You know you made me feel fine  
Made me feel fine!  
I dig your kitty design  
You know you kept me in line  
And then you left us behind.

Pickles:

And now I'm alive  
You know it never was me  
Because I poisoned my pee  
And now I've finally free  
And now I got so much time  
So I can drink and get high  
No more Hamburger Time  
No more Hamburger Time

Nathan:

And I got anesthetized  
And my dentist friend is fine  
We hang out he wants to live  
Not commit no Hamburger Time.  
No, NO!

Murderface and Skwisgaar:

I jacked off on a doctors face  
I jacked off on a doctors face  
He jacked off on a doctors (Oh YEAH)

I jacked off on a doctors face
