You investigate the murders at the gates of gods

I tamper with the evidence at Odin's murder site

I can swim through time

I can't be killed

I have no way to die

You will hunt through life

The physics of this world

Can't stop my crime

Draw your sword

I'll meet you at the battle rock

Space will see me through

I can't be killed

I have no way to die

Spheres within this range

Will be my path my energy ignites

Parasite

Ultra-violent porthole

Fasten straps

Helmet frigid wormhole

DETH in you

DÃ©jÃ vu

Mammoth view

Time will twist your soul

You spin

Your blood goes thin

Your marrow burns

Your veins begin to burst

The speed it hurts and hurts

And strains your brain

As you spin forth through time

You meet yourself for one brief moment in an eclipse
and watch you die

Your guts explode as you erode
You broke the code the riddles solved
You made the trip
You have evolved
You're the eclipse
You are a God.
