The smell of death, can't escape

Blood will could and drift away
Attract the murders of Murmaids
It's so cold they all know

What you've done, you can't run
Vengeance is the law for thee
A thousand leagues below the sea
You've been tracked, you've been seen
Murdering the next kin
Ate their hearts drank their blood

Washed your fins in blackened mud
Now you swim try to hide
Heart beats faster from inside
Thought it was a big charade
Your life was ended by Murmaids.
