Ooo! C'mon girls!

Rock all day
Sniff that line
Roll that money
No more clowning around for you

Got it bad
Need to get some more
They say it's gonna snow
Gonna put White Christmas up my nose

I ain't no weatherman - don't know if it's gonna rain
'Cause I'm a rock 'n roll clown, do a lot of cocaine
One of these days they're gonna take me away
'Cause I'm Dr. Rockso, and I do cocaine

Yeeha!

Huh, what's that Judge?
Oh, why's my nose bleeding?
Oh well you see that...
I fell down!
