I track my history!  
Bloody burned family tree!  
Native blood runs in me!  
Murderous tendencies!

Keep bloodlust away!  
Keep violence at bay!  
Can't deny genetics,  
Animal DNA!

Disappear into the fog;  
Gonna multiply the tainted blood.  
Can't remember where you go at night;  
You got the bloody teeth and wolverine sight...

Ancestor Genocide!  
We were killed to save lives!  
Just one beast did survive!  
Now I live to take life!

Keep yourself from me,  
Can't help what I be!  
I am man and beast!  
Your flesh I will eat!

Fall right into homicide!  
Become the beast that lives inside!  
Sink your fangs into the skin;  
Drink the blood so you may live!  
Kill until you find the one  
That will carry tainted sons!  
Deth brings life into the dark...  
Infest the world and make your mark!  
Tonight!

Go perpetuate;  
Go Procreate!  
Ensure Homocide;  
Keep bloodlines alive!  
Our children will regress  
And Hunger for the flesh!  
They can't be controlled;

They hunger for your soul!  
Tonight!

"Close your eyes and become the animals you once  
were..."

Bloodlines!  
Ill Take your life!  
Ill give you life!  
Bloodlines!

Life!  
Ill tak your life!  
Ill give you life!

Ill take your life...
