Uhh Ohh Baby
Uhh Ohh Baby
You starting laughing
When I told you I love you

Uhh Ohh Baby
Uhh Ohh Baby
You said your love was true
But I'm laughing at you
Uhh Ohh Ohh Ohh (yeah)
Uhh Ohh Ohh Ohh

Uhh Ohh Baby
Uhh Ohh Baby
You had your winning spree
And now you say you want me

Uhh Ohh Baby
Uhh Ohh Baby
You said your love was true

But I'm laughing at you
Uhh Ohh Ohh Ohh (yeah)
Uhh Ohh Ohh Ohh

I know that when you go
You'll come and let me know
That you were tired of being a fool

Uhh Ohh Baby
Uhh Ohh Baby
You said your love was true
But I'm laughing at you
Uhh Ohh Ohh Ohh (yeah)
Uhh Ohh Ohh Ohh

Uhh Ohh Ohh Ohh (yeah)
Uhh Ohh Ohh Ohh
