Gone is your love
And all the time that you were mine
To have and to hold
I was yours, you were mine
But now you're gone
But now you're gone

Gone is your heart
Filled with tenderness
Your sweet caress I'll never forget
I'd like to know
Where did you go
Brought me delight, you held me so tight
But now you're gone
But now you're gone

Gone is your love that seemed perfect
I remember we were sitting under the tree
You leaned over and kissed me so sweetly
And then you vowed, you know you vowed
Our love would always be, woah ooh oh

Gone is your love
And all the time you were mine
To have and to hold
I was yours, you were mine
But now you're gone
But now you're gone
But now you're gone
But now you're gone
