See how I'm walkin', see how I'm talkin'  
Notice ev'rything in me  
Feel the need, oh feel, feel the need in me  
I need you by my side to be my guide  
Can't you see my arms are open wide, mh  
Feel the need, oh feel, feel the need in me

I need your love - love - love  
Ev'ry day I need it, ev'ry day I want it  
Without your sweet, sweet love I'd rather die  
I need your love - love - love  
I need it constantly, your love takes care of me  
Your love is better to me than apple pie - ooh

Just put your hand in mine, love me all the time  
The proof you will plainly see, mh  
Feel the need, oh feel, feel the need in me  
I need you on the case to keep my heart in place  
You make me what I need to be, ooh  
Feel the need, oh feel, feel the need in me

Oh your love is tough, now can't get enough  
Girl, your love is so important to me  
Feel the need, hey feel it, feel the need in me - hi hi hi  
I need you by my side to be my guide  
Can't you see my arms are open wide  
Feel the need, oh feel it, feel the need in me

I need your love - love - love  
Ev'ry day I need it, ev'ry day I want it  
Without your sweet, sweet love I'd rather die  
I need your love - love - love  
I need it constantly, your love takes care of me  
Your love is better to me than cherry pie - ooh

See how I'm walkin', see how I'm talkin'  
Notice ev'rything in me  
Feel the need, oh feel it, feel the need in me - a ooh  
Just put your hand in mine, love me all the time  
The proof you will plainly see  
Feel the need, hey feel it, feel the need in me
