Ee how I'm walking
See how I'm talking
Notice everything in me

Feel the need, oh
Feel, feel the need in me

I need you by my side
To be my guide
Can't you see my arms
Are open wide, mm hmm

Feel the need, oh
Feel, feel the need in me

(I need your love)
Every day, I need it
(Love) every day, I want it
(Love) without your sweet
Sweet love, I'd rather die

(I need your love)
I need it constantly
(Love) your love takes care of me
(Love) your love is better
To me than apple pie

Just put your hand in mine
Love me all the time
The proof you will
Plainly see, mm hmm

Feel the need, oh
Feel, feel the need in me

I need you on the case
To keep my heart in place
You make me what I need to be

Ooh, feel the need, oh
Feel, feel the need in me

Your love is total now
Can't get enough
Girl, your love is
So important to me

Feel the need, hey, oh
Feel it, feel the need in me

I, I, I need you by my side
To be my guide
Can't you see my arms
Are open wide

Feel the need, oh
Feel it, feel the need in me

(I need your love)
Every day I need it
(Love) every day I want it
(Love) without your sweet
Sweet love, I'd rather die

(I need your love)
I need it constantly
(Love) your love takes care of me
(Love) your love is better to me
Than cherry pie

See how I'm walking
See how I'm talking
Notice everything in me

Feel the need, oh
Feel it, feel the need in me

Just put your hand in mine
Love me all the time
The proof you will plainly see

Feel the need, hey
Feel it, feel the need in me

See how he walk
See how he walk
See how he walk...
