[Intro]

My goodies, my goodies, my goodies, not my goodies

[Petey Pablo]

I got a sick reputation for handlin' broads

All I need is me a few seconds or more (Few seconds or more!)

And it's a rap

Tell the lady to bring my 'llac

And I ain't comin' back so you can put a car right there

I'm the truth, and I ain't got nothin' to prove

You can ask anybody cause they seen me do it

Barricades? I run right through 'em

Use to em, throw all the dirt you want (it don't amuse me)

Still gon' have a pin-up in a fabulous room

Bone her back, pickin' out a basket of fruit

I love you boo! Yeah, freaky petey love you too

Haha, you know how I do

[Ciara]

You may look at me and think that I'm, just a young girl

But I'm not, just a young girl baby this is what I'm lookin' for

Sexy, independent, down to spend for types you get in the store

I'm not bein' too dramatic, that's the way I gotta have it

[Chorus]

I bet you want the goodies

Bet you thought about it

Got you all hot and bothered

Because I talk about it

If you're lookin' for the goodies

Keep on lookin' cause they stay in the jar

Oh, Oh, Oh, Uh-oh

[Ciara]

Just because you drive a benz

I'm not goin' home with you

You wont get no nookie, or the cookies I'm no rookie  
If you ain't sexy, independent, I ain't wit it  
So you already know, I'm not being to dramatic  
That's the way I gotta have it  
No need to slick, try to hit, but im not  
I'm not bein to dramatic, it's just how I gotta have it

[Chorus]

I bet you want the goodies  
Bet you thought about it  
Got you all hot and bothered  
It's making ya talk about it  
If you're lookin' for my goodies  
Keep on lookin' cause they stay in the jar  
Oh, Oh, Oh, Uh-oh

[Petey Pablo]

So damn hot but so young (so young!)  
You still got milk on ya tounge  
Slow down little one  
You ain't got it all  
Hey shawty, your ol' pretty body  
You think you bad? But you ain't bad  
I'll show you what bad is (I'm bad)  
Bad is when you're capable of beatin' the baddest (I'm  
bad)  
I've been workin' at it ever since I came to this planet  
I ain't quite did yet, but I'm gettin' better at it  
Matter of fact, let me tell it to you one mo-ghen  
All I got to do is tell the girl who I am  
Ain't nah-chick in here that I can't have  
Badaboom, badabam, babam

[Ciara]

Your insinuating that I'm hot  
But these goodies boy are not  
Just for any other mini-man who's tryin' to get on top  
No you can't call me later  
And I don't want your number  
I'm not changing stories  
Just respect the player callin'

[Chorus] x2

I bet you want the goodies  
Bet you thought about it  
Got you all hot and bothered  
It's making ya talk about it  
If you're lookin' for my goodies  
Keep on lookin' cause they stay in the jar  
Oh, Oh, Oh, Uh-oh
