{You got to be your, you got to be your own dog, you
know?}

{You know what I'm talking about}
{Let's say yeah like a James Brown thing.YEAH}

{You gotta go sniffin' in your own turf}
{Be your own dog, don't let nobody put a leash on you}

Rubbadub a tub fish (Ping pong)

Entering a smoky barroom (Hey you)
Smuggling a wombat (Rubbaday)
Chewing on my necktie (Tweedo)
Tumbling in the margerine (Heroine)
Hidden in the ribbongrass (Too too)
Actin' like a baby (Headcase)

I don't need no thoughts in me, don't you wanna rescue
me?

There's a little light below, go there when I want to go

Wanted by the bumbledom (Ping pong)
Trying to pry the red shoes off (Headcase)
Licking on my ice cream cone (Heroine)
Surfing in the kitchen sink (Rubbaday)

{Don't try this at home}

(Going out to steel a ruby)
(Going out to steel a ruby)
(Going out to steel a ruby)

Looking like a rayon, love to do it indoor
They all got a say on, falling off the damned floor
Succulent but sucked in, always I'll be in for
One thing to be tucked in, falling off the same floor
