(INTRO)

I

I hope this Christmas we'll be fine, in the promised  
land,  
It is the birthday of the Lord, our Lord Jesus Christ,  
So let forgiveness will began, so war will be gone.

CHORUS:

We'll be together till the end, I hope we'll be one till the  
end,  
So we'll last forever, and for everything, everything this  
Christmas you will  
See.

II

happy,  
Receiving gifts from their Godparents, and also from  
the Lord,  
So let me help you build a house, of the good will side.
