Bop ba da da dum
Bop ba da da dum

Come let me take you back
Turn back the hands of time
That's when I discovered cool

That's when I made it mine

My pants couldn't be too tight
That's when I learned to fight
James Dean defined the day
Sue took me all the way
Cool, I'm all about cool
No other road
No other rule
But you, you act like a fool
You've gotta be cool
Gonna take you to school
I'm all about cool

If you want to be cool
Half as cool as me
You'll be careful what you say
How you look at me
If not, you'll pay a price
Far beyond your means
You don't want the trouble that I bring
Grease back my hair just right
Suzie, she wore her sweaters tight
Mom, hair piled way up high
In the back seat on Saturday night
Drag racing, summer nights
My Chevy like thunder role
Come around picking fights
Outside the picture show

Ooh, I'm all about cool
No other echo
No other rule

But you, you act like a fool
You've gotta be cool
Gonna take you to school
I'm all about cool

If you want to be cool
Half as cool as me
You'll be careful what you say
And how you look at me
If not, you'll pay a price
Far beyond your means
You don't want the trouble that I bring
