You say hate is rising, death taking over  
You've seen the right things, but there's more  
The other side of the story  
This side is seen with eyes  
But there's another reality  
Not seen with natural eyes

All this and a lot more  
Told in the Book of Eternal Truth  
The rise of hate, death and murder  
Only beginning for events much greater:  
The Great Tribulation and carrying away the  
Church of Christ

Christ Church Rising  
North from here, Heavens  
Christ Church Leaving  
These mortal landscapes

The Last Judgement, when living and death  
Shall be righteously judged  
Only ones who can stand before God  
Are those whose deeds are seen  
Through the blood of Christ  
Washed clean - innocent

Christ Church Rising  
North from here, Heavens  
Christ Church Leaving  
These mortal landscapes

Even today Jesus helps agonized mind  
Presents the faith for a longing heart  
Even today He turns hate into love  
Presents the hope instead of despair  
Even today you can be forgiven and God  
Presents you the one-way ticket to...

Christ Church Rising  
North from here, Heavens  
Christ Church Leaving

These mortal landscapes
