My purest thoughts  
Filth in Your eyes  
Most beautiful deeds  
With ugly motives

Wash me clean  
Fill my heart  
Wash me clean  
From sin apart  
I'm Christ addict

Sweetest words  
From rotten heart  
My purest love  
Mud of the swines

Wash me clean  
Fill my heart  
Wash me clean  
From sin apart  
I'm Christ addict

Self drags me down  
Sinking swamp of sin  
Give me Your hand  
Jesus, and lift me up!

Most honest caring  
Only fool's gold  
Deepest friendship  
After selfish mind

Wash me clean  
Fill my heart  
Wash me clean  
From sin apart  
I'm Christ addict
