It's not always easy to live this life
It's so much easier to see Paris and die
Well, I haven't seen it yet but maybe some day I will
But today I'd like to ask what kind of man I am?

I am not a man with a sense of humor, I have no jokes
to tell
If you get bored, you can go, I won't blame your taste
But if you are curious and you have some time to stay
Please stay and listen to what kind of man I am

I am a fool of Christ
Does it bother you?
I hope it won't and I'm sorry if it does
But that kind of man I am

Well you've had time to listen this far, are you still
surprised?
I guess you are, but that's OK, you will surely survive!
But let me ask you what kind of man you really are?
And hey; let me know if I'm too familiar!

I am a fool of Christ
I think it's OK for you
Thank you and bye bye then
But who's fool are you?
