{That's a really nice sound
That's a nice sound
That's what I call a nice sound }

Wanting, missing,
Having, letting,
Knowing, forgetting,
Showing, climbing,
Falling, sucking,
Breathing, lying,
Loosing, missing,

You make me feel

Happy, clumsy,
Angry, rash,
Cripple, silly,
Little, smaller,
Taller, witty,
Hasty, sexy,
Weary, ugly

You make me feel

In there, neither,
Someone, several,
All round, in time,
More off, instant,
More like, therefore,
Pinned on, hardly,
In there, often,

You make me feel

Envy, fucking,
Waisting, sighing,
Coping, bragging,
Coughing, dying,
Laughing, plastifying and crying

You make me feel

My sister
Got nowhere to hide
I missed her
But deep down inside
We drive
Keep our hands on the wheel
We drive
You know how it feels

In my dream, on my back,
On those pills, make it till,
By the sea

You make me feel

On my left, by my side,
On your lap, heavy foot,
Hurt and heal

You make me feel

Blinded by, ready for,
Always yours, cardiac,
Filthy, guilty pleasure

You make me feel

My sister
Got nowhere to hide
I missed her
But deep down inside
We drive
Keep our hands on the wheel
We drive
You know how it feels

My sister
