I am ashamed of what they have done  
In the name of one and only God  
How can Christ be so misunderstood  
"Do to others as you would have them do to you." (Luke  
6:31)

Holy, holy, holy, holy war  
Holy, holy, holy, holy violence

The father of lies has been blinding your eyes  
Every single war is wholly unholy  
God will hear the cry of a motherless child  
Your reward will be as clear as your deeds  
Done in the name of your own

The evil that men do can not be forgotten  
Mutilated corpses already rotten

What is killing in the name of love  
But mockery of the living God

To cultivate and care, not to destroy  
To guard all creation, not to spoil  
Distortion of God is selling well  
Parade of salvation walks straight to hell

Holy, holy, holy, holy war  
Holy, holy, holy, holy violence

The father of lies has been blinding your eyes  
Every single war is wholly unholy  
God will hear the cry of a motherless child  
Your reward will be as clear as your deeds  
Done in the name of your own
